*For professional use only. Imprimis Rx specializes in customizing medications to meet unique patient and practitioner needs. Imprimis Rx dispenses these formulations only to individually identified patients with valid prescriptions. No compounded medication is reviewed by the FDA for safety or efficacy. Imprimis Rx does not compound copies of commercially available products. References available upon request.

** Automatic refill setup required to enroll in our monthly payment program. Monthly payment plan is not a discount program. Patient is responsible for the full cost of the medication, paid in monthly increments, reflecting the per bottle price listed in the table above.
