*For professional use only. ImprimisRx specializes in customizing medications to meet unique patient and practitioner needs. ImprimisRx dispenses these formulations only to individually identified patients with valid prescriptions. No compounded medication is reviewed by the FDA for safety or efficacy. ImprimisRx does not compound copies of commercially available products. References available upon request.

**Automatic refill setup required to enroll in our monthly payment program. Monthly payment plan is not a discount program. Patient is responsible for the full cost of the medication, paid in monthly increments, reflecting the per bottle price listed in the table above.
