Prescribers are reminded that state law allows patients to receive medications from a pharmacy of their choice. Representative formulation.
Please contact us for an alternate formulation. Customizable within certain ranges.

Total prescriptions ordered

*For professional use only. ImprimisRx specializes in customizing medications to meet unique patient and practitioner needs. ImprimisRx dispenses these formulations only to individually identified patients with valid prescriptions. No compounded medication is reviewed by the FDA for safety or efficacy. ImprimisRx does not compound copies of commercially available products. References available upon request.

†Shipped cold overnight.

Prescribing Physician Verification

I have reviewed my patient's medical record and determined the compounded medication(s) / supplies ordered are medically necessary and that an FDA approved drug is not medically appropriate. I verify I have examined and diagnosed the patient as indicated above. I will comply with state and federal documentation requirements by retaining a copy of this prescription in the patient's medical record. The prescription is to be dispensed as written unless otherwise instructed by me.
