Prescribers are reminded that state law allows patients to receive medications from a pharmacy of their choice.
*For professional use only. Imprimis Pharmaceuticals specializes in customizing medications to meet unique patient and practitioner needs. Imprimis Pharmaceuticals dispenses these formulations only to individually identified patients with valid prescriptions. No compounded medication is reviewed by the FDA for safety or efficacy. Imprimis Pharmaceuticals does not compound copies of commerciallyavailable products. References available upon request.

Prescribing Physician Verification

I have reviewed my patient's medical record and determined the medication(s) / supplies ordered are medically necessary. I verify I have examined and diagnosed the patient as indicated above. I will comply with state and federal documentation requirements by retaining a copy of this prescription in the patient's medical record. The prescription is to be dispensed as written unless otherwise instructed by me.
